## **SECTION I. INTRODUCTION**

City of Irving Combination Tax and Revenue Certificates of Obligation, Series 2014 (the “**Bonds**”) in the aggregate principal amount of \$22,211,340.30 were issued to finance public improvements provided for the benefit of the property in the PID.

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "Authorized Improvements") to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements.

Pursuant to Sections 372.013, 372.014, and 372.015 of the Public Improvement District Act (the "PID Act"), the Service and Assessment Plan is to be reviewed and updated annually. ## **SECTION IV.        UPDATE OF THE ASSESSMENT PLAN**

The City Council has determined that the PID Costs are allocated to the Assessed Property on the basis of a modified area method and such method of allocation will result in the imposition of equal shares of the PID Costs on Parcels similarly benefited.

The modified area method is applied by spreading the entire assessment across all Parcels within the PID based on the square footage of the Anticipated Total Assessable Area within the PID. When final residential building sites are platted, assessments are apportioned proportionately among each residential parcel based on its Assessable Area.

The Lot Layout Map as shown in **Exhibit A** shows the current anticipated layout for Parkside Development along with the Anticipated Total Assessable Area.

### **A.        Amount of Assessment and Annual Installments**

The Assessment and Annual Installments for each Parcel for Fiscal Year 2015-2016 are shown on the 2015-2016 Assessment Roll, attached as **Exhibit B**. The Annual Installment shall be collected in an amount sufficient to pay Principal, Interest and Annual Collection Costs on the Bonds.

Total Annual Installment = Principal + Interest + Annual Collection Costs

#### **Fiscal Year 2015-2016 Totals**

Total Bond Principal = \$0.00

Total Bond Interest = \$385,600.00

Total Annual Collection Costs = \$131,472.00

Total Annual Installments = \$0.00 + \$385,600.00 + \$131,472.00

Total Annual Installments = \$517,072.00

### **B.        Reduction of Assessments**

Pursuant to Council Resolution No. RES-2014-87 (the “Agreement”) between the City and Tax Increment Reinvestment Zone #5 (“TIRZ #5), whereby the TIRZ #5 makes payments to the City from a portion of the tax increment revenues received for the payment of qualified TIRZ #5 project costs, the City shall apply such payments received to each Annual Installment on a pro rata basis to reduce the Annual Installment of each Assessment in the year the TIRZ #5 revenue is received. The Net Assessments will be calculated according to the following formula:

A = B - C

Where the terms have the following meanings;

A = the Total Net Assessment

B = the Total Annual Installment

C = TIRZ #5 Agreement Revenue

**Fiscal Year 2015-2016 Total Net Assessment**

B = \$517,072.00

C = \$0.00

A = \$517,072.00 - \$0.00

The Total Net Assessment = \$517,072.00

## **SECTION V.        UPDATE OF THE ASSESSMENT ROLL**

The Anticipated Total Assessable Area for this Annual Service and Assessment Plan Update is 5,842,915 square feet and is shown in **Exhibit A**.

Each parcel has been assessed on a per square foot basis based on the Anticipated Total Assessable Area, until such time the parcels are subdivided and final platted after which they will be assessed based upon their Assessable Area. The Assessment per Square Foot is calculated according to the following formula:

$$A = B \div C$$

Where the terms have the following meanings:

A = the Assessment per Square Foot

B = the Total Net Assessment

C = the Assessable Area (or the Anticipated Total Assessable Area)

### **Fiscal Year 2015-2016 Assessment per Square Foot**

$$B = \$517,072.00$$

$$C = 5,842,915$$

$$A = \$517,072.00 \div 5,842,915$$

$$\text{The Assessment per Square Foot} = \$0.088496$$

### **Assessments per Parcel**

Following the calculation of the Assessment per Square Foot, Assessments were calculated on a per parcel basis based on the Anticipated Total Assessable Area of a Parcel prior to subdivision or the Assessable Area following final platting.

The total of such amounts constitutes the Assessment for the Parcel set forth on the 2015-2016 Assessment Roll. The 2015-2016 Assessment Roll shall be updated upon the preparation of future Annual Service Plan Updates to reflect, for each Parcel, subdivisions, consolidations, prepayments, and reductions authorized by this Service and Assessment Plan.

The Assessments per Parcel are calculated according to the following formula:

$$A = B \times C$$

Where the terms have the following meanings:

A = the Net Assessment per Parcel

B = the Assessable Area of Parcel (or the Anticipated Total Assessable Area)

C = the Assessment per Square Foot

For Fiscal Year 2015-2016, there are 125 assessed parcels within the PID.

## **SECTION VI.        ADMINISTRATIVE REVIEW**

David Pettit Economic Development, LLC shall be the Administrator consistent with Ordinance No. ORD-2014-9557. The City shall notify the Developer of a change in Administrator, as long as the property is still under development by the Developer.

To the extent consistent with the Act, an owner of an Assessed Property claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installment, shall send a written notice describing the error to the City no later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Property owner, such change or modification shall be presented to the City Council for approval, to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Property owner (except for the final year during which the Annual Installment shall be collected), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council for determination. Any amendments made to the Assessment Roll pursuant to calculation errors shall be made pursuant to the PID Act.
