

TCAA Municipal Law Conference Scholarships

The Texas City Attorneys Association (TCAA) is an affiliate of the Texas Municipal League and was formed to promote, encourage, and advance the professional development of municipal attorneys throughout the State of Texas. One of TCAA's primary roles is to provide its members with the highest quality continuing education through its conferences and seminars. TCAA also aims to expose law students to the municipal law practice area.

To this end, the TCAA Board invites law students attending ABA-accredited law schools to submit an application for a scholarship to attend the Riley Fletcher Basic Municipal Law Seminar (held in February in even numbered years) or the TCAA Fall Seminar (held annually in October). Each scholarship will cover conference registration fees. Transportation, meals (not provided as part of the conference), and lodging are the responsibility of the scholarship recipient, but through a generous donation by the Bojorquez Law Firm, scholarship recipients may be eligible for up to \$300 stipend to defray these costs. You can find more information [here](#). Scholarship recipients will be exposed to various facets of municipal law and will have an opportunity to interact with TCAA board members and municipal law attorneys from across the State of Texas.
