TCAA staff were beyond wonderful, courteous, and pleasant!

I always look forward to this conference and always learn a great deal to bring back to my practice.

Great job TCAA staff and presenters! Thoroughly enjoyed the conference once again.

TCAAROCKS!

Kind words we received this year.

This was my first time attending and I think it was extremely helpful for me being a new municipal attorney.

As a scholarship recipient it was such an awesome experience.

Thanks for all you guys do. As always, a well-organized and beneficial conference.
